## **9th Baltic Moreno days on 19th – 21st August 2016 in Kaunas, Lithuania**

Baltic Moreno days is international practical psychodrama conference. Main objectives of this conference is to share experience, knowledge, new psychodrama methods and to spread message about psychodrama and its use. The Baltic Moreno Conference is taking place regularly since year 2000 in one of the Baltic countries every second year.

It is said that all secrets and answers are hidden in us. Psychodrama is a key to open the depths of our soul's secrets. We touch them carefully but do we know how to save them?

Moreno Days 2016 invites you to give time and meet your secrets!
